

We would like to kindly inform you about the post-graduate scholarship of our East Europe Programme which is partly financed by Renovabis.

Deadline for submitting scholarship applications at East Europe Programme of KAAD is the June 30th 2014.

The KAAD offers scholarship to talented catholic candidates with low-income which are recommended by a catholic priest. The scholarship should make possible studies within the Master's programme, PhD studies or scientific research in different academic disciplines at Universities in Germany. During the stay in Germany the KAAD offers pastoral assistance.

Please note, the KAAD does not provide scholarship to priests and members of religious orders, but only to laity.

The scholarship programme is aimed at strengthening the professional development of future decision makers, who are willing to contribute to the social and economic development of their home countries as well as to support the regional Catholic Church and international scientific networks.

The applicants have to prove the German language skills at least at level B1 and should be able to complete all needed documents and references amongst others reference letters from academic staff of home university or research institution. **All candidates are obliged by the scholarship contract to return to home country after study completion.**

We kindly ask you to enable the publication of the attached scholarship information on the homepage of your university or to forward the attached scholarship information to interested candidates.

Please feel free to contact us using German, English or Polish.

I will gladly call you back to answer your questions.
We thank you in advance for your answer.

Yours sincerely,

Mit freundlichen Grüßen
