PREDMET: Zamolba za odobrenje dopusta u svrhu znanstvenog usavršavanja u inozemstvu

Molim da mi se odobri korištenje plaćenog dopusta u razdoblju od 1. prosinca 2024. god. do 31. siječnja 2025. god. zbog znanstvenog usavršavanja u Centru za molekularnu biofiziku (CBM), CNRS, Orléans, Francuska, u svrhu provođenja projekta „Jačanje sintetske biologije u hrvatskom istraživačkom sustavu razvojem humaniziranih biosenzora i mikrobnih tvornica za detekciju i proizvodnju estrogenu-sličnih spojeva (croESTRO)“ (NPOO.C3.2.R2-I1.06.0024). Molbi prilažem Pozivno pismo dr. sc. Béatrice Vallée iz kojeg su vidljivi detalji usavršavanja.

S poštovanjem,

doc. dr. sc. Bojan Žunar

Uz suglasnost:

Pročelnika Laboratorija za biokemiju

doc. dr. sc. Bojan Žunar

Predstojnice Zavoda za kemiju i biokemiju

Prof. dr. sc. Ivana Kmetič

Prilog: Pozivno pismo dr. sc. Béatrice Vallée

Dear Asst. Prof. Žunar,

I hope this message finds you in good spirits. It is with great pleasure that I extend an invitation for you to join us at the Centre for Molecular Biophysics (CBM, CNRS) in Orléans for a two-month collaborative research stay, commencing in December 2024 as part of the croESTRO project.

Our shared research focus and the natural alignment between our work offer a valuable opportunity for mutual knowledge exchange and strengthening the collaborative ties between our team and the croESTRO research group. Your expertise would be a significant asset to our ongoing efforts, and I am confident that your visit will lead to fruitful scientific discoveries.

Please let me know your availability so we can plan your stay accordingly. I am looking forward to welcoming you to our laboratory and exploring the exciting collaborative potential that lies ahead.

Kind regards,

Béatrice Vallée, PhD
